Dear Girl Scouts family,

I am thrilled to share with you the remarkable journey of growth and achievement that we, as a united community, have embarked upon at the Girl Scouts of Southern Nevada. It is with immense pride that I present to you the latest milestones that have shaped our movement into a beacon of empowerment, education, and adventure for young girls across our region.

One of the most exciting achievements has been launching our groundbreaking equine program at our cherished overnight camp, Frias Frontier. This endeavor exemplifies our commitment to providing diverse and enriching experiences for our Girl Scouts. As they interact with these majestic creatures and learn the values of responsibility, care, and teamwork, they're developing lifelong skills and forging a deeper connection with nature. Camp Frias has truly transformed into a space where dreams are nurtured, and memories are etched for a lifetime.

The success of Camp Frias' equine program would not have been possible without the dedicated staff, volunteers, and generous supporters who rallied behind our vision. Their passion and dedication have empowered us to break barriers and create innovative opportunities that reflect the evolving interests and needs of our Girl Scouts.

This year marked a significant turning point in our efforts to champion curiosity and cultivate innovation in our girls. Through our S.T.E.A.M conference, Girl Scouts learned the mechanics and technology behind robots and how to make them. Witnessing the awe and sense of accomplishment in their eyes on how things work and how to make things work is a testament to the impact of our programs.

In this guide, you'll find programming from September 2023 through December 2023 like CEO In Training, Camporee, Fall Rally, and Winter Holiday Camp! A tremendous and adventurous lineup of programming for Girl Scouts to explore. Let us remain steadfast in our commitment to fostering leadership, confidence, innovation, wonder, and community among our girls. With each new achievement, we reaffirm our belief that every girl has the potential to shape her future and transform the world around her.

Thank you for your unwavering support of our mission. Together, we are creating a brighter and equal future for the next generation of leaders.

Yours in Girl Scouting,

Kimberly Trueba
 Chief Executive Officer
 Girl Scouts of Southern Nevada

Girl Scout adult volunteer trainings are designed to accommodate various training preferences and schedules. We offer a flexible approach to learning, with options including in-person sessions, virtual trainings and our innovative on-demand training platform, gsLearn, which allows you to access training materials at your own pace and convenience.

This year, Girl Scouts is expanding its training offerings to include additional opportunities for learning and growth; including age-level training, international travel training, updated High Awards trainings, Girl Scouts Songbook and more.

Please note that required trainings are effective for a period of three years before requiring renewal.

At this time, required trainings are:
gsLearn Volunteer Training 101
Finance 101
Troop Trips & Travel
International Travel
Beyond the Basics (camping).

CPR/First Aid training is typically offered monthly, and recertification is required every 2 years. At least one volunteer who is CPR/First Aid certified must be present when working with girls.

For each skill, there are two activities. There are a total of 20 activities to choose from!

Understand Emotions

1. Create a “happy box” filled with five things that make you smile, such as photos, art supplies, books, or favorite toys. Open the box when you’re worried, upset, or just need a little cheering up. **Learn more.**

2. Learn how to use mental imagery to prepare for your next hike, run, or sports activity. Mental imagery can improve your performance and build your self-confidence. **Learn more.**

Share Stories

1. Share stories with your friends about your favorite holiday, your greatest adventure, or your dreams for the future! They will learn more about you - and you’ll learn more about them.

2. Create a family crest to tell the story of your family’s heritage, values, or memorable moments. Or design a crest for any group you belong to, such as a school club, athletic team, or your Girl Scout troop. **Learn more.**

Get Moving

1. Design a coaching plan for your team by developing creative warmup and cool-down routines, using the best stretches and exercises to encourage your troop to stay active!

2. Create a new dance move for your favorite song. Dance to the beat every day for a week or throw a dance party and teach it to friends.

Practice Gratitude and Giving

1. Select and carry out a national Girl Scout service project to support your community. **Pick your favorite.**

2. Start a gratitude journal: jot down two or three things you’re thankful for and three to five things that make you happy. (They could be one and the same!) Do this every day for one to two weeks. When you’re done, record how the practice made you feel. **Learn more.**

Experience Nature

1. Visit a garden in your community or your own backyard to get ideas for creating a garden of your own.

2. Go on a night sky scavenger hunt: identify stars, constellations, or planets. Use a book, star wheel, or an app to chart your way.

Connect With Animals

1. Put up a bird feeder, plant flowers to attract hummingbirds, or get outside to watch and listen to our feathered friends.

2. Find out what it’s like to have a career protecting animals by talking to a veterinarian, animal-rescue worker, or zookeeper. **Learn More.**

Enjoy a Hobby

1. Find an outdoor scene - it might be a lake, creek, trail, or your own backyard. Draw, film, or photograph the scene several times during the day or on different days. Observe how weather and time of day change the scene’s appearance.

2. Sketch a still life three times, using a different medium (colored pencils, regular pencils, charcoal, ink pen, markers, pastels, crayons) each time. **Learn more.**

Find Meaning

1. Create a keepsake - a painting, collage, poem, scrapbook, bookmark, piece of jewelry, or another object that reminds you of your favorite line from the Girl Scout Law. **Learn More**

2. Every job offers different ways for you to help others. Choose two or three jobs that interest you and find out how they might add meaning to yours and others’ lives. Interview people in your community, watch videos, or read articles about these jobs.

Connect to Community

1. Music brings people together, and when people come together, they can build community. Make up a song about something you care about (friends, family, a favorite animal, etc.) Record your song and share it with others or sing it at an event.

2. You belong to a community of girls worldwide. Create a girls’ Bill of Rights that includes at least five things you think girls should have the right to do. **Learn more.**

Take Action

1. Plant a tree to support the Girl Scout Tree Promise, and join a global movement to address climate change, one tree at a time. **Learn more.**

2. Learn the difference between community service and the Girl Scout concept of Take Action, then brainstorm some ways to engage in the latter! Girl Scout Junior or older? Start planning your Bronze, Silver, and Gold Award. **Learn More.**

Unbox Your Future!

Girl Scout Product Programs not only give girls a way to earn money for their troop, but every package is filled with leadership and life lessons.

Built around entrepreneurship, Girl Scout Product Programs are an integral part of the Girl Scout Leadership Experience. Girls who participate in product programs develop 5 essential life skills:

Goal Setting

Decision Making

Money Management

People Skills

Business Ethics

2023 Fall Product Program

The Fall Product Program starts on September 7th and ends on October 24th. It is a Friends and Family Only sale through which girls can sell nuts, candy, magazines, and other specialty items.

The Fall Product Program is a great jumping-off point before the Girl Scout Cookie Program. It gives new troops the opportunity to learn the ins and outs of product programs before cookie sales begin in January.

2024 Girl Scout Cookie Program

The Girl Scout Cookie Program starts on January 3rd, 2024 and ends on March 4th, 2024.

In 2023, Girl Scouts of Southern Nevada sold 713,712 packages!

Ways to Participate

There are several ways for troops and individual girls to participate in the Fall Product Program and Girl Scout Cookie Program:

- Paper order cards
- Online sales
- Cookie Booths (Girl Scout Cookie Program only)
- Any combination of the above options

Is your troop not participating or are you not in a troop?

Girls whose troop is not participating or who are not in a troop can participate in product programs the same ways listed above. Individual girls will earn Program Points that can be used to purchase membership and pay for camp, event fees, destinations (travel trips for girls ages 11 and older), or items in the Girl Scout store.

Rally Time!

Fall Rally and Cookie Rally are held by GSSNV Council to give girls, parents and leaders a fun and informative introduction into the Product Program accordingly. The rallies are a great way to learn about the 5 business skills, develop sales strategies, marketing skills and more. Be sure to ask your Troop Leader when the rallies will be!

Troop leaders are encouraged to find a parent and/or other volunteer to take on the role of Troop Product Coordinator.

The Girl Scout Cookie Program begins with the pre-sale on Jan. 3rd and continues with Cookie Booths from Feb. 9th - Mar. 3rd. Mega Drop will be Feb. 3rd at three different locations!

What is 5 for 5?

In 2024, All cookies will be \$6/box. To help our girls with sales, we are offering a chance to win 5 cases of cookies to all who buy at least 5 boxes of cookies! 5 for 5 is an excellent sales tool for girls and we will have 2 drawings once the cookie program ends.

Order Online!

The Digital Order Card allows girls to offer cookies to anyone, anywhere through their own personal, secure website. Having your correct information in the DOC is very important. Be sure that your troop and girl information is current by signing into your Member Profile by contacting: customerservice@girlscoutsnv.org.
