Welcome Juliette Girl Scout!

Girl Scout Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Girl Scout Promise

On my honor, I will try:
To serve God* and my country,
To help people at all times, And
to live by the Girl Scout Law.

*May substitute for the word God in accordance with your own spiritual beliefs.

Girl Scout Law

I will do my best to be honest and fair, friendly and helpful, considerate and caring, courageous and strong, and responsible for what I say and do, and to respect myself and others, respect authority, use resources wisely, make the world a better place, and be a sister to every Girl Scout.

Becoming a Juliette Girl Scout means you've decided to take the solo route to Girl Scouting and will choose your own adventure as an Independently Registered Girl (IRG)! Juliettes are named for our Movement's founder, Juliette Gordon "Daisy" Low. They're busy, independent and self-confident girls who want to be part of something girl-led and make a difference in the world.

Want to know the best part about being a Juliette? You weave Girl Scouting into your everyday life while not committing to anything extra! Because you don't attend troop meetings regularly, you have freedom to design your experience based on your interests instead of the interests of a troop.

Incorporate badge work or fun patches into your family vacations! Play sports? Try relating that to a badge or patch! It's not about creating another thing for you to do—it's thinking about what you're already doing in life and relating it to Girl Scouts. No matter what you're into, there is undoubtedly a related Girl Scout patch or badge!

About Girl Scouts

Girl Scouting was founded on March 12, 1912, by Juliette Gordon "Daisy" Low, who believed in the power of every girl. She began with a troop of 18 girls in Savannah, Georgia. Today Girl Scouts is the largest leadership organization for girls in the world. Currently, there are about 2.5 million girl and adult members worldwide!

Girl Scouts isn't just in the U.S., Girl Scouting and Girl Guiding is a global movement! We're connected by the World Association of Girl Guides and Girl Scouts (WAGGGS) consisting of 10 million members across 152 countries. For more information, check out waggggs.org. **WAGGGS does some amazing things that you may want to become involved with as a Juliette Girl Scout!**

At Girl Scouts, our motto is "be prepared" (a reminder to help out when needed) and our slogan is "do a good turn daily" (a reminder of the many ways girls can contribute positively to the lives of others). Our mission is to build girls of courage, confidence, and character, who make the world a better place. This mission is carried out by living within the guidance of the Girl Scout Promise and the Girl Scout Law.

What is a Juliette?

As a Juliette, Girl Scouting is custom-made for your girl! It's a great way to mix and match her unique interests with Girl Scout participation – special events, weekend workshops, leadership projects or travel opportunities that improve her skills and meet her interests and needs.

Juliettes are busy, independent, self-confident girls and young women who want to be a part of something larger – Girl Scouts! Meeting in troops is one way to be a part of the Girl Scout experience, but when there aren't available troops in your area, her troop no longer meets, or she become too busy with extracurricular activities or sports, becoming a Juliette will allow her to continue the Girl Scout experience on an individual basis.

As a Girl Scout Juliette, your girl can participate in everything that is open to her grade level. She can attend council-sponsored programs such as events, series opportunities, year-round camp experiences and travel opportunities.

Juliettes will work on Girl Scout programs with a registered adult mentor. They will decide what activities to participate in and which awards they wish to complete. Girl Scout Juliettes can earn the Journey awards and badges, as well as the Girl Scout Bronze, Silver, and Gold Awards.

What is the cost?

Girl memberships cost \$40 annually, and adult memberships cost \$25 annually. Financial Assistance may be available for girls. Please visit our website for more details.

How do I register as a member?

Girls and mentors can register online at girlscoutsnv.org. Our Customer Care team can also process payment over the phone or at our shop. For assistance in completing your Girl Scout membership, please call 702-385-3677 or email customerservice@girlscoutsnv.org

Girl Scouts are grouped by school grade levels, not chronological age. After a Girl Scout graduates high school, she is no longer considered a girl member, but can still participate as an adult member or volunteer. Adult members can attend programs with girls, become troop leaders or volunteers for activities, or become part of Girl Scout alum events.

Uniforms

When it comes to uniforms there are a few things to remember. Generally, Daisies wear a blue vest or tunic; Brownies wear a brown vest or sash; Juniors wear a green vest or sash; and Cadettes, Seniors, and Ambassadors wear a tan vest or sash. There are also new and "non-traditional" uniform and apparel items and additional pieces available for purchase. These should be worn to Girl Scout events and programs to let people know what level you are, where you're from and what you're up to in Girl Scouting!

Generally, on the front of the uniform on the upper right-hand side, you wear the following patches: American flag, Council ID set and Juliette patch (instead of troop number). On the upper left side, you wear the Insignia tab with a WAGGS pin and a GS membership pin.

The front is also reserved for your badges, journeys and awards approved by GSUSA. The back is where you showcase any fun patches, pins, SWAPS or additional items you've earned during your Girl Scout year.

Each uniform should have its own set of badges/patches. Generally, we do not advise reusing them year to year. Besides, it's cool to look back on all your accomplishments and memories on each uniform! Some girls even make their former uniform into a pillow after they bridge to the next level. All uniform items are available for purchase through our stores or online sites. Our retail staff are knowledgeable and can help you find what you need. Send an email to: customerservice@girlscoutsnv.org or call us at: (702) 385-3677 to get connected.

Badges & Journeys

Badges and journeys are created and endorsed by GSUSA as age-appropriate topics. Each level has its own badges and journeys, all of which are worn on the front of the vest, sash or uniform. All badges for each level are shaped the same way and have the same color scheme, which makes it easier for you to identify your pieces and to identify what level girls are at by looking at their uniforms. Girls follow the provided steps and once completed, can attach it to their uniform. Badges are available for purchase through our stores or online.

Patches and Awards

Fun patches can be earned like badges or commemorate a special event. Fun Patches go on the back of your vest or sash. Fun Patches are a great way to show people all the things you've done in Girl Scouts. Make sure to tell people about your patches and how you got them! People love to learn about what you're doing in Girl Scouts! There's a fun patch for almost anything —our stores and online shops carry many or our staff can always order something for you.

Juliette Patch

This patch or emblem is worn by individually registered Girl Scouts on their sash or vest where troop numerals ordinarily would be, since you're not affiliated with a troop. You can purchase one at our stores or online.

Awards: Beyond Badges & Journeys

In addition to badges and journeys, girls can earn other awards for a variety of things. Each has its own activities and requirements. All awards are worn on the front of the vest, as GSUSA recognizes that extra work, education and pride goes into earning these.

Some awards are available for all levels to earn. These include Cookie Entrepreneur Pins, Safety Awards, Bronze Cross, Medal of Honor, International Friendship Award, Global Action Award and World Thinking Day Award. Other awards are only available to older girls (Cadettes and above) and include the Program Aide Award available to Cadettes, Service to Girl Scouting Bar and Community Service Bar available to multiple older girl levels, and the Counselor in Training and Volunteer in Training Awards available to Seniors and Ambassadors.

Highest Awards

Our most prestigious awards are known as Highest Awards. These take longer to earn and include a larger scale Take Action project designed to make a difference based on a topic chosen by the Girl Scout.

Highest Awards start at Junior level with the Bronze Award. Cadettes can earn their Silver Award. Seniors and Ambassadors can earn their Gold Award. Details of what it takes to earn one of the Highest Awards, as well as all required GSSNV training, can be found on our website.

You should take some time to look these awards over and figure out which you want to work on, as each has its own rules and submission requirements.

Community Service & Diversity

Community Service & Take Action Projects

Community service is an integral part of being a Girl Scout, providing girls with an opportunity to practice teamwork, build critical-thinking skills and empower them to make changes in their community.

Sharing their time and resources helps girls increase their self-esteem and civic responsibility. Girl Scouts engage in Take Action projects while working through Journeys, with their Service Units, through civic engagement, via the Gift of Caring sales during product programs, and on their own when they identify a need in their communities.

Take Action projects pick up where that short-term fix of the service project leaves off. There are three key components to Take Action projects—girls show active leadership by working with the community, they address the root cause of an issue (think of the “why” behind the issue), and the projects have a lasting impact.

Girls gain lots of skills and leadership experience when they work on a Take Action project. It's not just about how they will “make the world a better place,” it's also about what they learn along the way.

Every Girl Scout Journey Award ends with a small-scale Take Action project related to that award's theme. The Bronze, Silver, and Gold Awards are large-scale Take Action projects that take months (and sometimes years!) of planning and execution!

Diversity, Equity, Inclusion, and Access

For more than 100 years, Girl Scouts has carried forward the legacy of openness, inclusion, and unity that Juliette Gordon Low established in 1912. Equity, Diversity, and Inclusion are core values of Girl Scouts of Southern Nevada, and we recognize that a commitment to these values is a living commitment that requires attention, reflection, and continual action. The GSUSA anti-racism pledge (GSUSA is working to become an anti-racist organization) reflect who we are: an organization that is rooted in values set forth in our Girl Scout Law.

Girl Scouts exists to help girls thrive. When girls lead, our families are stronger, our communities are stronger, and as an organization we are stronger. We are committed to offering a safe, inclusive, welcoming place for all girls and their caregivers.

Juliette Mentors

A Juliette mentor is a parent, family member, caregiver, or other caring adult who guides a Juliette during their Girl Scout experience.

Juliettes will need to choose a mentor soon after registration as one is required for the girl to participate in the Girl Scout program.

- Register as an adult volunteer and gain access to additional adult training, the ability to volunteer on your local service unit team and more.
- Support your Juliette's commitment to Girl Scouting.
- Ensure a girl-led experience where girls have the space to share and pursue their passions.
- Explore council programs, helping them pick the activities they'll want to participate in.
- Help your Juliette choose the badges and journeys that interest them.
- Assist your Juliette in purchasing or borrowing the book and materials needed to complete each badge or award. (GSSNV has a library where you can check these materials out)
- Verify that your Juliette has completed badge requirements and purchase badges and awards from GSSNV shop.
- Help your Juliette participate in product program by submitting the required online permission and accountability forms, completing adult training, fulfilling program requirements, and following safety guidelines.

SWAPS

SWAPS

Girl Scouts have a tradition of making small tokens of friendship to exchange with other Girl Scouts they meet while traveling. These little gifts are called SWAPS, which stands for “Special Whatchamacallits Affectionately Pinned Somewhere.”

They are often created on safety pins using scraps of fabric, art supplies or things found outside. The pins are useful so that you can attach it to the back of your uniform, but SWAPS don’t have to be pins; they can be any small thing you create. Often, girls will attach a small piece of paper that includes some way of remembering where or from whom they received the SWAP.

The rules of SWAPS are simple. You never refuse a SWAP from a sister Girl Scout, you always say, “thank you” and you never pin it on another girl’s uniform without her permission. You can do a quick online search for all kinds of SWAPS ideas.

Product Programs

As a Juliette, you have the opportunity to participate in the Fall Product & Cookie Programs, if you are in good financial standing with Girl Scouts of Southern Nevada. Why should a Juliette participate in the product programs? A Juliette will learn five valuable skills that will help them now and in the future: Goal Setting, Decision Making, Money Management, People Skills, and Business Ethics.

Along with the five skills, a Juliette will earn recognitions for their participation the Product Programs. Plus, participation in the product programs earns Program Points for a Juliette to use toward registration for council events, programs, camps, shop purchases, and travel, supporting her Girl Scout Leadership Experience.

To participate, girls must be registered for the current Member Year. They must also provide a signed copy of the current Permission and Responsibility Form to the SU Product Manager or council Product Sales team and notify the SU Product Sale Coordinator that they want to participate. This person will provide training, materials and program information for the Juliette and her caregivers. If you need help determining your SU contact, our staff can help. Please note: funds do expire if there is a lapse in your membership.

There is a dedicated team, Juliette Entrepreneurship Team (JET) to support a Juliette and Juliette Mentors during the Fall Product and Cookie Programs. The JET is comprised of an amazing group of volunteers and council staff to help navigate the product programs for a Juliette and Juliette Mentor. The JET will coordinate training for the Juliette Mentor before the start of each product program. Communicate between Juliette Mentor and the JET members are vital to the success of a Juliette during the product programs.

Fall Product Program

The Fall Product Program begins in September and usually ends in October every year. It's an excellent way for a Juliette to learn and perfect business skills through the sales of nuts, candy, & magazines! While a Juliette is perfecting these skills, she is also earning program points for her future girl scout adventures. For more information about the fall product program, reach out to a JET for training and all necessary paperwork, usually in August.

Cookie Program

Similar to the Fall Product Program, when a Juliette participates in the Cookie Program, they are building essential life skills and embarking on new adventures. The Cookie Program happens just once a year (January to March) and allows a Juliette to unleash her inner leader and face challenges of running her own business as a Cookie Boss. A Juliette will discover her inner entrepreneur, learn to take risks, think outside the cookie box and dream big! For more information about the Cookie Program, reach out to a JET for training and all necessary paperwork, usually in December.

Program Points

A Juliette Girl Scout is not allowed to hold a bank account. Therefore, a Juliette will receive Program Points* for her participation in the Fall Product and Cookie Programs, that will be managed by Girl Scouts of Southern Nevada. Per IRS rules and guidance from GSUSA, rewards earned by individual girls needs to be less than \$600 annually. Also, money-earning and product program sales are not based on dollar per dollar calculations. All benefits provided can be related back to supporting the Girl Scout Leadership Experience. Thus, a Juliette will earn Program Points based on ranges provided by GSSNV, 75 points for the Fall Product Program and 500 points for the Cookie Program.
