

Take Action

What's the problem?

How did this problem start?

How
can
we
help?

Plan of Action:

First...

Done!

If you were a superhero who could solve a problem in the world instantly with her superpowers, who would you be and what would you fix? What would your superpower be? Think outside the box and come up with a global issue and a superhero who solves it! You can color, draw, and/or write your answers here.
