

Adriana Immormino
Silver Award Patch Requirements
(Adriana's Activity Book)

Purpose

The purpose of this patch is to encourage girls to put their creativity to good use, by helping others, in this case, kids who are in a hospital and need to take their minds off whatever it is they are going through.

Requirements

Girls must complete the necessary work for their age level. You must write down your answers on a clean sheet of paper to get credit.

- *Cadettes: 2 discover, 2 connect, 3 take action
- *Seniors: 3 discover, 2 connect, 3 take action
- *Ambassadors: 3 discover, 3 connect, 3 take action

Discover

1. What are some businesses/ organizations that work to heal/help children?
2. The Ronald McDonald's House helps families get back on their feet when their child is in the hospital. How long has the Ronald McDonald's house been operated?
3. How many Children's hospitals are there across America?
4. How many kids end up in hospitals each year? How can you help?
5. What are some ways you can help kids and their families when they go through these tough times? How can you make their lives better?

Connect

1. Have you ever injured yourself? If so, how? What made you feel better when that happened? Think of that when you take action.
2. Research some motivational speeches and write about how this could encourage people to hang in there during these tough times.
3. Visit someone you know in the hospital and take the time to talk to them and make them feel better. Think of this when you take action, as an example of what would cheer someone up.
4. Research when the first children's hospital was opened. What are your thoughts about it? How far have we come since then?
5. Research when the first Ronald McDonald's was opened. What are your thoughts about it? How have they changed throughout the years?

Take Action

These must be done by adding on to the existing Adriana's Activity Book.

1. Write your own motivational speech and add it to the activity book. Make sure it is actually meaningful and age appropriate for 9-14 year olds.
2. Write your own comic, and please make sure it is funny, appropriate, and well drawn, which includes coloring.
3. Add another jokes page, and remember to have funny, appropriate jokes. Insensitivity to anyone is not ok or funny.
4. Another fun facts page. It must have a readable layout, with colors. Do not make it a simple list. It should be colored nicely and pleasing to the eye. As always, nothing inappropriate or insensitive. Make sure to cite your sources.
5. Create another crossword puzzle or word search. Make sure it is neat, and add some decoration around the puzzle so that it is not bland.
