

# Girl Scout Product Programs Opt-Out Agreement

## Attention Girl Scout Cadette, Senior and Ambassador Troop!

**Would your troop like to earn \$0.10 more for each item you sell instead of receiving individual girl recognitions?**

For the \_\_\_\_\_ Girl Scout Product Programs, Girl Scouts of Southern Nevada is offering Girl Scout Cadette, Senior and Ambassador troops the option to earn \$0.10 more for each product sold instead of receiving cumulative recognition. Each girl will only receive product program patches if opting out.

To participate in the “Opt-Out” option, the vote by the troop must be unanimous and each Girl Scout’s caregiver must agree. The signature of each girl and a caregiver is required.

To have a valid “Opt-Out” agreement, the following qualifications must be met:

1. There must be two registered adults (one leader and one co-leader) and a minimum of 5 Girl Scouts in the troop or be open in the Troop Opportunity Catalog.
2. The girls in the troop must be grades 6-12 and registered members of Girl Scouts of USA (multi-level troops with Daisies, Brownies or Juniors may not participate in the Opt-Out Program)
3. All troop members must sign the agreement.
4. Agreement must be submitted to Council via email by \_\_\_\_\_ by 9pm (PST). Late "Opt-Out" request will not be accepted. Send requests to [customerservice@girlscoutsnv.org](mailto:customerservice@girlscoutsnv.org)
