# Letter From The CEO

Dear Troop Leaders and Caregivers,

Your passion, energy, and commitment are what fuel the heart of Girl Scouting in Southern Nevada. Because of you, girls aren't just earning badges—they're exploring new worlds, discovering their strengths, and building friendships that last a lifetime. Your guidance inspires our next generation, and for that I want to extend my heartfelt thanks for all that you do.

As you plan your troop year, know that you're creating so much more than a calendar. You're designing unforgettable experiences, igniting curiosity, and opening the door to wonder. Every hike, badge, adventure, and conversation is a step toward helping girls grow into confident, compassionate leaders.

In this fast-paced, digital world, Your Year of Wonder is a call to reconnect—with nature, with each other, and with ourselves. Girl Scouting in this upcoming year is about real-world learning, emotional wellness, and giving girls the tools to thrive. It's about putting down screens and picking up possibilities.

You are the steady, inspiring force in a girl's journey. Because of you, girls feel seen, supported, and empowered to dream big. You help them find their voices, explore the outdoors, and take action to shape a better world.

Our GSSNV Program Guide is your treasure map—packed with fun, adventure, and meaningful experiences. Let's make this year unforgettable. Let's make it bold. Let's make it wonderful!

Here's to less screen time, more starry nights, and a Girl Scout year full of awe, joy, and discovery.

Yours in Girl Scouting,

Kimberly Trueba CEO, Girl Scouts of Southern Nevada

Older girls and volunteers may be needed to assist with events and activities, please let the organizer know if you're available to help.

# How Can You Do More With Her?

## Become A Volunteer!

Girl Scout Adult Volunteer Trainings are designed to accommodate various training preferences and schedules. Girl Scouts of Southern Nevada offers a more flexible approach to learning, with options including in-person sessions, virtual trainings and our innovative on-demand training platform, gsLearn, which allows you to access training materials at your own pace and convenience.

This year, Girl Scouts is expanding its training offerings to include additional opportunities for learning and growth, including age-level training, international travel training, updated Highest Awards trainings, and more.

Please note that the required GSSNV and gsLearn trainings are effective for a period of three years before requiring renewal. CPR/First Aid Certification must be renewed every two years.

# Volunteer Training:

gsLearn is Girl Scouts' official online and on-demand training forum. It empowers users ("learners") to complete training as it works best for them. Learners have access to Girl Scout specific content that supports accuracy and consistency across the Girl Scout movement, along with "general knowledge" courses provided by our vendor, Litmos.

## Required Trainings

Troop Leaders must complete all required trainings as assigned by GSSNV. These trainings typically cover topics such as troop management, finances, travel and safety as well as GSUSA courses like Girl Scouts Child Abuse and Neglect Prevention and badge programs. Trainings are offered in a variety of ways but depending on the training may require participation via in person classes, virtually (zoom) or via training decks. All trainings, including registration for in person and virtual trainings, can be accessed via our online learning environment, gsLearn. The gsLearn platform will be your one stop shop allowing for easier access, tracking and notification of necessary training.

## CPR/First Aid Trainings

CPR and First Aid Certification from an approved certifying agency is required for at least one adult volunteer who will be present at all times during Girl Scout activities. GSSNV offers monthly trainings that fulfill this requirement. CPR/First Aid Certifications are valid for two years.

## Additional Required Trainings

Troop Volunteers may be required to take additional training as deemed necessary by GSSNV or GSUSA. Notification of any additional trainings will be sent via the gsLearn platform. Beyond the Basics Overnight training is REQUIRED before taking Girl Scouts on outdoor overnights or high adventure activities. This is an in person training ONLY.

## Beyond the Basics Overnight Camp Training is being offered:

March 28-29, 2026 | GSSNV Headquarters  
April 11-12, 2026 | Camp Frias Frontier

GSSNV and gsLearn trainings are valid for three years and must be repeated after expiration. GSSNV is always looking for volunteers to share their knowledge and assist with trainings. If you are interested in supporting your sister Girl Scouts in this way, please reach out [customerservice@girlscoutsnv.org](mailto:customerservice@girlscoutsnv.org)

Thanks to a generous gift from the Charles and Phyllis M. Frias Charitable Trust, the Girl Scouts of Southern Nevada proudly established Frias Frontier Girl Scout Camp in scenic Lincoln County, just 90 miles north of Las Vegas. At Frias Frontier, adventure awaits! Campers can meet our friendly donkey, Cisco Disco, greet horses Kate, Tessa, Misty, and more, interact with miniature ponies, and chickens, and catch glimpses of local wildlife like lizards and owls. Accommodations add to the fun — whether staying in cozy cabins, the lodge, covered wagons, or tents, every moment is filled with excitement and discovery. This incredible camp is a place where nature, exploration, and unforgettable memories come together.

Every year, Girl Scouts of Southern Nevada hosts an overnight summer camp where girls are able to experience a world outside their usual day-to-day! With exciting new additions, like the Rock Wall or the new Zen Den—Girl Scouts are sure to find new activities they'll love. Whether its mounting a horse for the first time, scaling to new heights, or finding balance in meditation, Girl Scouts will always have more to explore!

## **New Additions to Camp at Frias Frontier**

As all our Girl Scout Campers continue to grow and develop—so do we! Girl Scouts of Southern Nevada is proud to announce the opening of two new additions to camp at Frias Frontier! You may have heard the news or seen in some camp photos but the location is home to a new Zen Den and Rock Wall! Fun fact, your troop doesn't have to wait until summer camp to enjoy all Frias Frontier has to offer! You can rent the property out for your own special troop outing to create memories that are all yours!

### **Zen Den: Practice Presence**

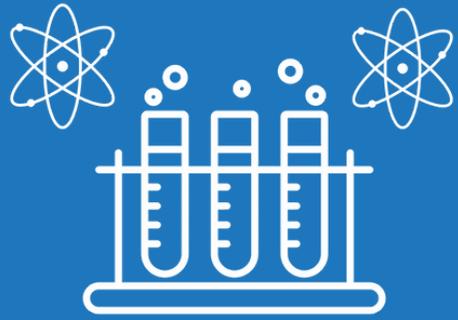

Our new Zen Den is an air conditioned paradise where Girl Scouts are able to practice mindfulness and presence through meditation, yoga, journaling, and more. With how busy the world gets with all the distractions of modern technology, social media, school pressures—you name it—it's hard to be a girl in the modern world!

The new Zen Den helps her practice being in the moment and practice gratefulness. With a steady reminder to slow down and breathe in the current moment, she'll take valuable lessons with her in prioritizing mindfulness of self and of others.

### **Rock Wall: High Expectations!**

For the girls who love challenge crushing, make sure to visit our new rock wall! This custom rock wall is now a permanent addition to our camp site—ensuring that each and every camper will get a turn to scale this epic wall! How often does your girl get the chance to be adventurous and scale a wall over four times their height?

Thrill seekers who love trying new things will not want to miss this new addition! Offered every week during our summer camp, every girl will get the opportunity to try their hand at this memorable experience.

# S.T.E.A.M

A brighter future for us all can be a reality, thanks to science, technology, engineering, art, and math (S.T.E.A.M.).

Although under-represented, research shows that girls are keenly interested in S.T.E.A.M. and excel at it. Girl Scouts lets your girl see that S.T.E.A.M. can help her make the world a better place! When girls participate in focused S.T.E.A.M. programs, they are more interested in S.T.E.A.M. and careers in tech—including app development, robotics, coding, and cybersecurity.

# Highest Awards

## The Highest Awards In Girl Scouting.

Girl Scouts' Highest Awards, a longstanding tradition since 1916, honors girls who drive impactful change locally and globally. Standardized as the Gold, Silver, and Bronze Awards since 1980, they recognize dedication across age groups. These awards demand commitment, empathy, and leadership, with each project requiring planning, execution, and community outreach. By earning these awards, girls demonstrate their organizational skills, determination, and commitment to community betterment.

In 2025, Girl Scouts of Southern Nevada celebrated 16 Gold, 19 Silver, and nine Bronze Award projects, highlighting their remarkable contributions to society. Graduating Girl Scouts were also recognized during the ceremony, with a grand total of 61 walking the stage this year!

Rita Vaswani, Senior Vice President of Nevada State Bank's Professional Banking Division, acted as the keynote speaker for the ceremony, inspiring girls to acknowledge their accomplishments so far and, more importantly, to keep going.

# Diversity, Equity, and Inclusion Program Series

## Encouraging Girl Scouts To Celebrate Who They Are!

We teach girls to lead by example, and to that end, we are committed to doing the difficult work as an anti-racist organization. We're making an initial financial investment to partner with experts in the areas of race, inclusion, and equity, with a focus on both girls and women.

The Diversity, Equity, and Inclusion Series is focused on educating Girl Scouts on history and topics surrounding communities and identity groups that they may or may not belong to. This will lead them to greater understanding of these communities and their cultures, how our differences should be celebrated, their own identity, and how they can educate others. After attending a DEI program, Girl Scouts will be able to:

- Discuss the highlighted community and its culture
- Understand the rich history of the highlighted community
- Recognize the impact the highlighted community has had in the world.

# Girl Scouts & Wellness

## Body Appreciation Badges

The Body Appreciation badge line is designed to transform the way girls think about their bodies. It guides Girl Scouts to appreciate the many functions and abilities of their bodies—from breathing and thinking to running, dancing, and creating. Through fun, age-appropriate, and progressive activities, Girl Scouts build confidence, practice self-care, and develop healthy habits that support both physical and emotional well-being. They'll learn to move for fun, celebrate what makes them—and others—unique, and embrace their authentic selves. Along the way, they'll explore how to set healthy boundaries and respond thoughtfully to pressures from society, media, and peers—all while learning how to lift others up and create a culture of kindness and respect.

This badge line is available for Daisy through Ambassador. Girl Scouts (K-12 grades) and includes a Volunteer Guide that makes it easy to lead the way. Made possible by Flamingo.

# Early-Bird Registration Starts: April 1, 2026

Meet our Early Bird!

## Why Early-Bird?

Early Bird renewal is a fantastic way to renew your troop members early in the year, and it helps you, your community, and your council plan for the upcoming year. When girls renew early, troop leaders know whether girls will be back when school resumes and if there are openings in their troop. Plus, when girls participate in early renewal, troop leaders help them secure their troop spot— and earn some perks for doing so!

## We encourage Early-Bird renewal because it:

- Helps the troop plan and budget for the upcoming year.
- Gives parents peace of mind knowing their daughter will be in the same troop next year.
- Enables parents to mark one more thing off their back-to-school to-do list!

## Get Excited For:

- A New Early-Bird T-Shirt
