WHO YOUR DONATION GOES TO

Girl Scouts of Southern Nevada's Trips & Travel Troop

Trips & Travel Troop raises funds to provide life-changing travel opportunities for girls, expanding their understanding of the world. By fundraising to achieve their goals, girls learn the value of hard work, determination, and perseverance to make their aspirations come true.

Our mission is to make travel accessible for girls who may not otherwise have the chance to explore new places and cultures. Through these journeys, they develop open minds, global awareness, and a sense of possibility for their futures.

This 2025 year, Trips & Travel are fundraising for Tokyo, Japan!
