Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Promise

On my honor, I will try:
To serve God* and my country,
To help people at all times, And
to live by the Girl Scout Law.

*Members may substitute for the word God in accordance with their own spiritual beliefs.

Law

I will do my best to be honest and fair, friendly and helpful, considerate and caring, courageous and strong, and responsible for what I say and do, and to respect myself and others, respect authority, use resources wisely, make the world a better place, and be a sister to every Girl Scout.

Letter From The CEO

Dear Troop Leaders and Caregivers,

I want to extend my heartfelt gratitude to each of you. Your dedication is the cornerstone of discovery and adventure for our Girl Scouts of Southern Nevada. When you plan your year, you're not just scheduling activities; you're opening doors to endless possibilities and expanding the horizons of our girls beyond their wildest dreams.

In the 21st century, Girl Scouting is even more than badges, cookies, and camping trips. Our girls are growing up in a digital age, where their attention is often pulled to screens. Our goal is to teach them to be present in their lives, understand the real world adds immense value to their growth, and appreciate the incredible planet we live on. Girl Scouting today is focused on a girl's future success by enriching emotional and social development in a safe environment.

As a pivotal and consistent person in girls' lives, your leadership is vital. You guide girls to connect with the magical world around them, helping them to make friends, break out of their shells, and take meaningful actions to make the world a better place. The GSSNV program guide is filled with activities designed to inspire and empower.

This year, let's champion the Girl Scouts' year of adventure—less screen time, more outdoor fun! Together, we can make this the best year yet for our Girl Scouts.

Yours in Girl Scouting,

Kimberly Trueba
Chief Executive Officer

How Can You Do More With Her?

Become A Volunteer!

Girl Scout Adult Volunteer Trainings are designed to accommodate various training preferences and schedules. Girl Scouts of Southern Nevada offers a more flexible approach to learning, with options including in-person sessions, virtual trainings and our innovative on-demand training platform, gsLearn, which allows you to access training materials at your own pace and convenience.

This year, Girl Scouts is expanding its training offerings to include additional opportunities for learning and growth, including age-level training, international travel training, updated Highest Awards trainings, and more.

Please note that the required GSSNV and gsLearn trainings are effective for a period of 3 years before requiring renewal. CPR/First Aid Certification must be renewed every 2 years.

Volunteer Training:

gsLearn is Girl Scouts' official online and on-demand training forum. It empowers users ("learners") to complete training as it works best for them. Learners have access to Girl Scout specific content that supports accuracy and consistency across the Girl Scout movement, along with "general knowledge" courses provided by our vendor, Litmos.

Required Trainings

Visit the "Discover" tab and click on "Event Search" or "Event Calendar" for adult trainings. Volunteer trainings are tracked in the GSSNV online learning environment, gsLearn, however it is recommended that attendees retain training records of their own.

CPR/First Aid Trainings

CPR and First Aid Certification from an approved certifying agency is required for at least 1 adult volunteer who will be present at all times during Girl Scout activities. GSSNV offers monthly trainings that fulfill this requirement. Volunteers may submit certification through gsLearn or email to: customerservice@girlscoutsnv.org to ensure certification is on file.

Additional Required Trainings

Troop Leaders must complete additional required trainings such as Finance 101, Troop Trips and Travel, Beyond the Basics Over Night Training Camp and the GSUSA Girl Scouts Child Abuse and Neglect Prevention Course. Most required training are offered monthly or on demand.

Beyond the Basics Overnight Camp Training is required before taking Girl Scouts on outdoor overnights or high adventure activities.

Beyond the Basics Overnight Camp Training is being offered:

- 9/28/2024-9/29/2024 at GSSNV Headquarters
- 10/12/2024-10/13/2024 at Camp Frias Frontier
- 3/22/2025-3/23/2025 at Camp Frias Frontier
- 4/12/2025-4/13/2025 at GSSNV Headquarters

GSSNV and gsLearn trainings are valid for 3 years and must be repeated after expiration. CPR/First Aid Certifications are valid for 2 years.

The GSSNV Volunteer Training Committee offers additional enrichment trainings throughout the year. Join the GSSNV Volunteer Training Committee!

Girl Scout Leadership Experience

How Girl Scouts Benefit From Our Programming

The Girl Scout Leadership Experience, the foundation of all Girl Scout programming, is a variety of fun and challenging activities that help girls discover who they are, where their talents lie, and what they care most about. Designed to connect them with community members, the program prepares girls to empower themselves as they take action on issues they care about. At Girl Scouts, every adventure is rooted in three core ways of learning: girl-led, learning by doing, and cooperative learning.

In addition, Girl Scouts programming relies on the four program pillars which encourage girls to pursue lifelong interests and develop key life skills! The program pillars are explained in detail below.

Outdoors

Studies show that girls today are not spending nearly enough time outdoors. Technology and structured activities leave less time for girls to get outside and enjoy nature. As a Girl Scout, she'll have plenty of opportunities to create her own outdoor adventures and develop a lifelong appreciation for nature and the outdoors—whether with her troop, at camp, or with friends and family.

And that's great news—because when Girl Scouts get outside, they:

- Discover that they can better solve problems and overcome challenges
- Develop leadership skills, build social bonds, and are happier overall
- Become team players and care more about protecting our environment

S.T.E.A.M

A brighter future for us all can be a reality, thanks to science, technology, engineering, art, and math (S.T.E.A.M.).

Although under-represented, research shows that girls are keenly interested in S.T.E.A.M. and excel at it. Girl Scouts lets your girl see that S.T.E.A.M. can help her make the world a better place! When girls participate in focused S.T.E.A.M. programs, they are more interested in S.T.E.A.M. and careers in tech—including app development, robotics, coding, and cybersecurity.

Life Skills

Girl Scout badges covering topics like civic engagement, healthy living, and communication skills help Girl Scouts grow in confidence as they develop the skills to lead their best life!

By exercising and staying healthy, developing strong relationships with family and peers, advocating on behalf of themselves and for others, protecting our environment, or exploring careers that can truly change the world for the better, girls can make a difference.

Entrepreneurship

Research shows that girls are actively interested in becoming entrepreneurs, developing financially stable futures, and using their skills to make a big impact on the world.

Every Girl Scout will benefit, and maybe even discover a future career path, by learning to think like an entrepreneur.

7 Ways Summer Camp Brings Out Her Best

Summer is when some of the most fun childhood memories are made, but did you know that it's also an awesome opportunity for your girl to grow, learn, and become her best self? Here are seven amazing benefits your girl will get from her summer camp experience.

1. She'll make new friends

There's nothing quite like giggling over games in a bunk or singing songs with new besties around a campfire. That's why it's actually good to send her to camp where she might not know many (or any) other girls! Having a diverse group of friends, not just kids she knows from school, will broaden her horizons and help her see her own worth, too.

2. She'll see all she can be

In an all-girl environment like Girl Scout summer camp, girls are more comfortable trying new outdoor activities, and they get to take the lead every single time. Meaning there's plenty of room at the top for your girl to take charge and flex her muscle, both when it comes to outdoor adventure and crucial leadership skills that will last her a lifetime.

3. She'll turn off her phone and tune in to nature

Getting out in nature, soaking up the sun, or dashing inside during a sudden downpour is way more exciting than any app she might have on her phone and is all part of the adventure of camp. Unplugging for a while will keep her more present and truly enjoying every moment instead of watching it from a screen.

4. She'll grow her grit

The truth is, she might scrape a knee or elbow while she's away—and that's a good thing! When she learns to get back up after minor setbacks, like scrapes and bumps, she's building her resilience and learning that she's a lot tougher than she thinks.

5. She'll meet new mentors

Having a variety of awesome role models will help your girl see the many ways to be successful and happy in life. And the incredibly supportive staff and counselors at your girl's summer camp are ready to step up to the plate and inspire!

6. She'll gain independence

Being away from home—especially if that's a new thing for her—might be a bit intimidating to both your daughter and you. Having that time away to explore and try activities on her own will make her more self-reliant and able to discover new things to share with you when she returns home.

7. She'll have tons of time for play

Playtime is anything but a waste of time. In fact, studies show that play allows the neurons in a child's brain to form new connections—and that this rewiring helps boost emotional intelligence, decision-making skills, creativity, and problem-solving abilities.

Decide where you want to travel and complete an application. Destinations are for individual Cadette, Senior and Ambassador girls. Girl Scouts love to travel—from the field trips they take as Brownies to the global adventures they go on as teens. If you love exploring different places and cultures, then Girl Scouts is the place for you. Where can you go? Places like China, Costa Rica, Switzerland, Patagonia, Peru, Scotland, Germany, Mexico, and more!

You can experience all that our country has to offer, whether you're "blasting off" at Space Camp in Alabama, taking in a Broadway show in New York City, or visiting the birthplace of Girl Scouts' founder, Juliette Gordon Low, in Savannah, Georgia. And you can plan even bigger adventures around the world, traveling with other Girl Scouts who share your love of adventure!

Financial Assistance

Through Girl Scouts of the USA's D-Pass grant program, more than one-third of Girls Scouts who enroll on Destinations receive a financial grant from their local council. Check with your local council about grant availability. Many Girl Scout councils also allow Girl Scouts to use proceeds from the cookie program and fall product sale to support participation, and there may be opportunities to link up with other Destination participations for some group money earning.

Experiences That Last A Lifetime!

Benefits of Being A Girl Scout

As Girl Scouts advance through the ranks, the journey from Brownie to Senior or Ambassador opens up a wealth of opportunities, especially for older girls. Being an older Girl Scout is not just about earning more badges; it's about gaining unique experiences and skills that will benefit them well beyond their time in the program.

One of the most significant advantages is leadership development. With new and fun programming that helps girls' development, Girl Scouts fosters strong leadership skills and confidence, essential for future endeavors in both personal and professional life. Managing projects and learning to lead within Girl Scouts helps build resilience, problem-solving abilities, and effective communication skills.

Moreover, the older Girl Scout years offer a chance to earn prestigious awards such as the Gold Award.

Achieving this top honor involves identifying a community issue, developing a sustainable solution, and demonstrating leadership, perseverance, and commitment. The Gold Award is highly respected and can open doors to scholarships, college admissions, and career opportunities.

Finally, the bonds formed during these years are often lifelong. The camaraderie and support within a troop provide a strong social network, while shared experiences and accomplishments create lasting memories.

Being an older Girl Scout is a transformative experience that equips girls with valuable skills, a sense of purpose, and lifelong friendships, preparing them for future success and fulfillment!

Highest Awards

The Highest Awards In Girl Scouting.

Girl Scouts' Highest Awards, a longstanding tradition since 1916, honors girls who drive impactful change locally and globally. Standardized as the Gold, Silver, and Bronze Awards since 1980, they recognize dedication across age groups. These awards demand commitment, empathy, and leadership, with each project requiring planning, execution, and community outreach. By earning these awards, girls demonstrate their organizational skills, determination, and commitment to community betterment.

In 2024, Girl Scouts of Southern Nevada celebrated 18 Gold, 13 Silver, and 16 Bronze Award projects, highlighting their remarkable contributions to society. Graduating Girl Scouts were also recognized during the ceremony, with a grand total of 68 walking the stage this year!

Justice Patricia Lee, an Associate Justice with the Nevada Supreme Court, acted as the keynote speaker for the ceremony, inspiring girls to acknowledge their accomplishments so far and, more importantly, to keep going.

How To Earn It:

First step: Get in touch with the staff here at GSSNV to let us know you're interested.

After that, get started! Sign up for a required Highest Awards training. Trainings are offered monthly. Find an issue in your community or the world that you care about. Learn everything you can about that issue through research and trusted sources. Form a team by identifying experts and people in your community who could help you. Submit your project proposal to GSSNV for approval. Finally, lead your team and carry out your plan.

Your plan may end up changing, or new challenges will rise up, but you can do it, Girl Scout! Practice patience and resilience while working toward your award! Reflect on the change you've created in your community and the world. Share your story and inspire others to make a difference, too.

Diversity, Equity, and Inclusion Program Series

Encouraging Girl Scouts To Celebrate Who They Are!

We teach girls to lead by example, and to that end, we are committed to doing the difficult work as an anti-racist organization. We're making an initial financial investment to partner with experts in the areas of race, inclusion, and equity, with a focus on both girls and women.

The Diversity, Equity, and Inclusion Series is focused on educating Girl Scouts on history and topics surrounding communities and identity groups that they may or may not belong to. This will lead them to greater understanding of these communities and their cultures, how our differences should be celebrated, their own identity, and how they can educate others. After attending a DEI program, Girl Scouts will be able to:

- Discuss the highlighted community and its culture
- Understand the rich history of the highlighted community
- Recognize the impact the highlighted community has had in the world.

New Mental Wellness Patches

Becoming a Girl Scout means tapping into a supportive group of people who uplift you every step of the way. When it comes to caring for your mental wellness, the new Girl Scouts Mental Wellness patch program reminds you that you're never alone in facing challenges, and further invites you to dive into and understand your emotions. You can do this by participating in activities, such as making art or writing poetry, that foster resilience and help you to better understand your world. No matter the season, never doubt your ability to rise up, and remember—you got this.

The Mental Wellness patch program was made possible by the HCA Healthcare Foundation and developed in collaboration with the National Alliance on Mental Illness (NAMI).

Early Bird Registration Starts: April 1, 2025

Why Early Bird?

Early Bird renewal is a fantastic way to renew your troop members early in the year, and it helps you, your community, and your council plan for the upcoming year. When girls renew early, troop leaders know whether girls will be back when school resumes and if there are openings in their troop. Plus, when girls participate in early renewal, troop leaders help them secure their troop spot— and earn some perks for doing so!

We encourage Early Bird renewal because it:

- Helps the troop plan and budget for the upcoming year.
- Gives parents peace of mind knowing their daughter will be in the same troop next year.
- Enables parents to mark one more thing off their back-to-school to-do list!

Get Excited For:

- A New Early Bird Patch
- A Free T-Shirt
- Badge-O- Rama
- Week 1 Giveaways
- Flash Drawings
