## Letter From The CEO

Dear Girl Scouts and Families

As we embark on another camp season, I'm thrilled to invite your Girl Scout to the unforgettable adventures awaiting her at Frias Frontier, our overnight camp in Alamo, and Ducktail Day Camp at our Council Campsite. These camps are more than just destinations; they are transformative experiences designed to help girls grow, explore, and thrive.

At camp, your Girl Scout will develop personal strengths like self-reliance and leadership, all while forming lifelong friendships. Our camps also provide a much-needed break from the digital world, offering an opportunity to reset and reverse the overstimulation caused by constant technology use.

We believe every Girl Scout deserves the chance to experience these benefits. If financial support would help make camp possible, we encourage you to apply for financial aid. Simply scan the QR code on page 13 of our guide to get started.

Let's make this her best summer yet!

Kimberly Trueba, CEO

# Are You Ready For Camp?

## Frias Frontier

Details: 4 Weeks of Overnight Camp  
 Location: 1560 Old Sharp Lane Alamo, NV 89001

Thanks to a generous gift from the Charles and Phyllis M. Frias Charitable Trust, the Girl Scouts of Southern Nevada proudly established Frias Frontier Girl Scout Camp in scenic Lincoln County, just 90 miles north of Las Vegas.

At Frias Frontier, adventure awaits! Campers can meet our friendly donkey, Cisco, greet horses Kate, Tessa, Misty, and more, interact with miniature ponies, and chickens, and catch glimpses of local wildlife like lizards and owls. Accommodations add to the fun—whether staying in cozy cabins, the lodge, covered wagons, or tents, every moment is filled with excitement and discovery.

This incredible camp is a place where nature, exploration, and unforgettable memories come together.

## Ducktail Day Camp

Details: 4 Weeks of Day Camp  
 Location: 2941 E. Harris Ave. Las Vegas, NV 89101

Camp Ducktail, hosted at our council headquarters in Las Vegas, NV, offers endless adventures for both new and returning campers! Girls can enjoy outdoor fun in the grassy courtyard (weather permitting) and exciting activities inside our air-conditioned building, ensuring a mix of comfort and exploration.

Older Girl Scouts can take their skills to the next level with our exclusive Program Aid and CIT 1 programs, available only at Camp Ducktail. Every camper will build self-confidence, try new things, and learn essential camp skills in a supportive environment.

To top it off, each week wraps up with an optional overnight campout at council headquarters—an unforgettable way to end the week!

Explore several activities, including camp crafts, games, songs, outdoor education and more. Learn about team building, personal growth, and leadership basics. Completion of one LIA Award is required before continuing to Program Aid Award. Girl Scouts who have not completed the LIA Award requirement prior to the start of this camp session will be able to earn the LIA Award and Program Aid Award simultaneously. Program Aide participants will need to be available both weeks and participate in overnight activities each week in order to earn their PA Pin.

## CIT 1 (Entering Grades 9-12 in 2025-2026)

Ducktail Day Camp | Two week session | July 21 - August 1

Ready to take the next step in becoming a counselor? Week 1 - Learn the basics of developing and delivering camp programs while gaining a behind-the-scenes look at the basics of camp operations. Week 2 - you will be fully immersed in an internship where you can use your skills as a "counselor" for younger campers. We conclude each week with a required overnight stay. CITs must demonstrate maturity, commitment, leadership potential, and be able to work well with others to create a positive environment. CITs will also enjoy traditional camp activities during their stay. Upon successful completion of this program, CIT1 Campers will earn the CIT1 Pin. Participation in this program includes an application process.

## CIT 2 (Grades 9-12 in 2025-2026)

Frias Frontier Overnight Camp | Two week session | June 9 - June 20

Located at Frias Frontier Overnight Camp, this is the second level of CIT training, and it focuses on skills needed to work with youth at camp. Learn behaviors to expect from campers and how to manage them, and how to work as a team with all staff.
