Camp Contacts

At Girl Scouts we strive to provide our members with the highest level of customer service. If you have any questions or concerns, please contact us immediately. For non-emergency questions or inquiries visit our website or contact our Customer Care Team.

Girl Scouts of Southern Nevada

2941 Harris Ave
Las Vegas, NV 89101
Telephone: 702-385-3677
customerservice@girlscoutsnv.org

Frias Frontier Camp Office

95 Hand Me Down Road
Alamo, NV 89001
Telephone: 775-725-3500

Camp Director

Marisa “Ramsey” Wroblewski
Telephone: 702-359-5238 ext. 117

Assistant Camp Director

Melina Garza
Telephone: 702-854-1931 Ext 127

Emergency Communication

In case of a medical or family emergency at home, contact Girl Scouts of Southern Nevada at 702-385-3677, or our Camp Director/Assistant Camp Director. After office hours, our voicemail system will give you an opportunity to leave a message. In the event of an emergency, where a parent needs to pick up or visit their camper, please contact us so that we can make the proper arrangements for you and your camper.

Welcome Girl Scout Families!

Are you getting excited about camp! We certainly are and cannot wait to kick off our Frias Frontier Inaugural Summer Camp 2021 Sessions with your Girl Scout.

We are honored that you chose us. And we are especially honored to welcome Girl Scouts of all levels and stages of summer camp knowledge and experience.

It is a new beginning for us at Frias Frontier, which means new traditions and new memories that we get to make and witness together.

As we prepare for summer camp in our new, transforming space, we know that camp will look different to many, especially this year. We will see changes in how we check in, eat meals, and gather.

We are focused on creating a safe and healthy environment for your camper and our staff. We have researched best practices and monitor closely the most current information and data. Your camper is our priority from health and safety, to providing big memories and great fun!

This Summer Family Camper Packet is designed to offer essential information to prepare you and your Girl Scout for camp. As it often occurs, details can change right up to the start of camp, yet this will be a helpful guide for your camper to know what to generally expect from camp, and what camp expects from them. We will keep you updated on any changes and work to provide the most up to date information on our website.

Thank you for your support and trust! We are so excited to have your Girl Scout join us.

For the love of camp,

The GIRL Experience Team at Girl Scouts of Southern Nevada

Camp Policies

Attendees to all Girl Scouts of Southern Nevada events are expected to follow the Girl Scout Promise and Law.

Our Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Girl Scout Promise

On my honor, I will try:

To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

Girl Scout Law

I will do my best to be

honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,

and to

respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.

No Bully Zone

There is a zero-tolerance policy for bullying at Frias Frontier. Our staff is trained to identify and respond to signs of bullying behavior. We encourage any camper to share any concern they may have with the way they or any other camper is treated while at camp. If a camper has been bullying others while at camp, they will be sent home and their camp session will not be refunded.

Group Agreements

Our general guidelines at camp are as follows:

1. Be Safe
2. Be Respectful
3. Have Fun

Additionally, campers will develop **Group Agreements** with their counselors and other campers which will determine the guidelines they want to live by during their stay at camp.

In fitting with the guidelines above, Campers are not permitted to use, or have in their possession, tobacco, alcohol, or drugs in any form. No illegal substances will be permitted by anyone at camp.

Anyone in violation of this policy or anyone behaving in a manner that is dangerous to themselves or others will be sent home at the guardian's expense. If you or your camper has specific concerns, please contact the Camp Director prior to checking into camp.

Diversity, Equity & Inclusion

Girl Scouts is for every girl, and that's why we embrace girls of all abilities and backgrounds with a specific and positive philosophy of inclusion that benefits everyone. Each girl—regardless of her socioeconomic status, race, ethnicity, physical or cognitive ability, sexual orientation, primary language, or religion—is an equal and valued member of the group, and groups reflect the diversity of the community.

We believe inclusion is an approach and an attitude, rather than a set of guidelines. Inclusion is about belonging—about all girls being offered the same opportunities with respect, dignity, and celebration of their unique strengths. It's about being a sister to every Girl Scout!

Preparing Your Camper

One of the primary goals of summer camp is to offer progressive experiences that allow Girl Scouts to develop new skills and confidence. Coming to camp and being away from home and family for an extended time provides a great opportunity for growth.

It is important that each camper be able to care for their own general well-being. While counselors are always there to support them, campers are expected to eat meals, get enough sleep, shower, groom, dress themselves, and communicate with camp staff.

Help your camper get ready for camp by being excited! Let your Girl Scout know that you want them to have fun and learn new things. Emphasize that your camper is “going” to camp, instead of saying you are “sending” them to camp. If your camper has any anxiety or worry about the dark, bugs, night noises, or being away from home, or getting dirty please start preparing them for these things now.

Preparing for Camp

- ☐ Plan some outdoor activities as a family to get your camper used to hot weather.
- ☐ Encourage your camper to pick out their own clothes and help with packing.
- ☐ Pick out a security item like a teddy bear or blanket to bring.
- ☐ Help them learn how to make their bed and set and wipe the table.
- ☐ Make sure they are comfortable doing personal care routines like showering, brushing teeth/hair, and dressing on their own.
- ☐ Homesickness is normal. Discuss what it may feel like and suggest ways to help your camper overcome it if they experience it, and even help others.
- ☐ Talk to other parents and friends who have attended camp, so you know what to expect.
- ☐ Write notes/letters for your camper and give them to our camp staff to be delivered to during the week.

Preparing Your Household for Camp

It's completely normal for all members of the household to have mixed feelings when someone goes away to camp – whether it is their first time away or not. The staff is trained to deal with any problem from homesickness to First Aid. Try not to let your camper know how much you are going to miss them. Be Strong! You don't want them to worry about you while they are at camp. Practice your goodbyes and saying them right before your curb-side drop-off to make it a swift and easy for everyone involved. It is also helpful to be sure to familiarize with all the information provided in this packet. As we want to be sure to update all involved when any changes or new information arises, please make it a practice to check e-mails frequently, as well as our camp page on our website as most updates will occur electronically.

Packing for Camp

- ☐ Pack your camper's possessions in a duffel bag or plastic tub with a secure lid. As a COVID best practice all camper belongings need to be packed away when not in use.
- ☐ Encourage your camper to pack everything into **one** suitable sized container/bag. This helps ensure things do not get mixed with other camper's belongings.
- ☐ Mark all clothing and equipment with the camper's name, including baggage, and tubs.
Note: we will also tag all items for bus transport
- ☐ Pack comfortable, lightweight clothing that is easy to clean. Clothes WILL get dirty at camp.
- ☐ Have your camper wear well fitting, comfortable yet sturdy shoes. Campers wear socks with sturdy shoes every day due to the desert landscape elements like gravel, tree roots and other natural hazards at camp. Sandals/flip flops may only be worn in the shower.
- ☐ Pack extra clothing/shoes in case of rain, which also makes for muddy terrain.
- ☐ Zip Lock bags are great for keeping items dry and keeping wet items from leaking on clothes. Remind your camper to ask their camp guide for extra bags if needed.
- ☐ BEFORE YOU LEAVE HOME for CAMP DROP-OFF – Review with your camper the Packing List to ensure that their backpack is well packed AND includes essential items. Also be sure to have all of the required and necessary paperwork completed to turn in at check-in, along with required medications packed as directed in our Health and Safety section.

ESSENTIAL ITEMS

Our cabin quarters will be adjacent to the main Frias Frontier building. There will be times when campers will not have easy access to essential items during programming. Please be sure that your camper has a sturdy backpack that they are comfortable carrying all day with the following items.

1. Water bottle
2. Insect repellent
3. Rain jacket poncho
4. Durable Backpack
5. Reusable Masks
6. Flashlight
7. Hand Sanitizer
8. Sunscreen

ITEMS TO LEAVE AT HOME

- ☐ **Food!** No gum, candy, drinks, or snacks
- ☐ Let's conserve energy so do not bring **hairdryers, curling irons, or other items requiring electricity.**
- ☐ No pocket knives or other **weapons.**
- ☐ **Tobacco, alcohol, or drugs** (other than those recorded with our health team.)
- ☐ Any item that would **cause distress if it was lost or damaged.**
- ☐ **Cellphones**

These items or any others items that disrupt campers or the camp program, will be collected by a staff member and returned to the camper upon check-out.

LOST AND FOUND

Found items are displayed for campers to claim every day at each meal. Unclaimed items will be held at camp until the last day of our final summer camp session. After camp, items will be brought to our Girl Scouts of Southern Nevada Council Office. Any items left unclaimed by the third week of July will be donated to a charitable organization. We will not mail any items.

The Packing List

Clothing	Personal Items
☐ Shorts for each day and extras ☐ Shirt for each day and extras ☐ Long pants or jeans for hiking and confidence course ☐ Underwear for each day and extras ☐ Socks for each day and extras ☐ Sleepwear/pajamas ☐ Lightweight jacket or sweatshirt ☐ Two pairs of good fitting shoes that can get wet and dirty – No crocks, jelly shoes, or clogs	☐ Soap ☐ Shampoo and conditioner ☐ Hairbrush and/or comb ☐ Hair bands or other hair accessories ☐ Toothbrush and toothpaste ☐ Sands or flip-flops for shower ☐ Towels and washcloths ☐ Deodorant* ☐ Feminine hygiene supplies* ☐ Eye care needs* ☐ Dental care needs* ☐ Other toiletries as needed*

☐ Sleeping bag and *blanket ☐ Pillow and pillowcase ☐ Raincoat or poncho (Essential item) ☐ Flashlight/ batteries (Essential item) ☐ Hat with brim ☐ Laundry Bag ☐ Insect repellent (Essential item)	☐ Water Bottle with camper's name (Essential item) ☐ Sunscreen (Essential item) ☐ Backpack or daypack (Essential Item) ☐ Bandana ☐ Beach Towel ☐ Masks/Face Coverings (Essential Item at least one for each day of camp)
Non-Essential Items to Consider	
☐ Inexpensive camera w/batteries ☐ Stationary/ postcards w/ addresses, pens or pencils, stamps* ☐ Sunglasses	☐ Books, magazines, or journal for quiet time* ☐ Watch* ☐ Portable Music Player w/Headphones* *optional

Health and Safety

The safety of our campers and staff are our number one priority. We want to assure our parents/caregivers that we have a safe and effective COVID-19 safety plan in place prior to staff and camper arrival. Our protocols will follow the guidance set forth by the Girl Scouts of Southern Nevada, Southern Nevada Health District, and GSUSA.

A member of our health service staff is always on duty at camp. In emergencies of non-routine illness and injuries, the camper's emergency contact will be notified immediately. In cases of minor injuries or illnesses (ex. Bug bites, scrapes, headache, minor sunburn, etc.), treatment will be provided. If questions or concerns regarding these minor cases arise, the camper's guardian will be contacted.

Required Health and Safety Forms

Please have all health and safety forms completed and ready to be handed in at time of drop-off to ensure a smooth check-in for your camper. No camper will be allowed to check-in without these forms. The forms listed below are included/attached in this mailing.

- ☐ COVID-19 Camper Screening
- ☐ Health and Camp Form Packet
- ☐ Photo Release

Dietary Restrictions, Preferences, & Allergies

Our kitchen staff will be informed of any dietary restrictions/food allergies to provide gluten-free, lactose-free, peanut/tree nut free meals, and accommodate other allergies as indicated in your camper's health form and initial information collected at registration. Any changes that occur before camp, please contact us at customerservice@girlscoutsnv.org, or call 702-385-3677

Medications

Pack medication containers in a plastic zip bag with the camper's name printed in permanent ink on the bag.

All medications and supplements must be in the **ORIGINAL** container with the camper's name, doctor's name, dosage, and any instructions clearly stated. This bag will be turned in after the camper's health screening at drop-off to be recorded and secured by our Camp Health Team.

The health supervisor will keep all medications, vitamins, ointments, etc. secured in the health center during camp. Our health staff will make sure that campers have access to their medications when necessary and administer any scheduled medications in a timely order during their stay. On trips, we will send medications, etc. with staff. Inhalers, Epi Pens, and other necessary items will be kept with each camper as determined with the health supervisor and information on the health history form.

We have a supply of commonly used over-the-counter medications, so it is not necessary to send those to camp.

Inclusion

Every Girl Scout should have the chance to go to camp. If your camper requires special accommodations (dietary, physical, behavioral, etc.), please contact us immediately so that any necessary preparations can be made prior to your camper's arrival.

To discuss your camper, please contact Camp Director, Marisa Wroblewski at 702-359-5238 ext. 117

Illnesses, Communicable Diseases, and Lice

Do not send your camper to camp if she has been exposed to a communicable disease or if she is ill. Camp has a no lice, no nit policy. Please check your camper for lice before coming to camp. All campers will be screened with a head check at curbside. Any child with lice or a communicable disease will not be able to attend camp. We will make every effort to reschedule your camper in a different session, but no refunds will be issued if a camper goes home due to nits or lice. For more information, visit headlice.org or contact the National Pediculosis Association at 617-449-NITS.

Homesickness

Though not very often, common, or long-lasting, homesickness can occur at camp. We have an experienced staff that is trained to work with homesick campers. If it occurs, homesickness usually happens in the beginning of the week and quickly dissipates as the camper gets settled into camp life. The first few hours and days are a normal transition phase for everyone, and it is typical for campers to adjust at different paces.

Here's a few things you can try to help prevent long-lasting homesickness:

1. Explain what homesickness is and let your camper know that it's normal, what it might feel like, and that it will go away.
2. Give your camper some ideas and help them come up with some of their own of things they can do to help alleviate homesick feelings.
3. Think about the fun things you will be doing later.
4. Pack a special stuffed animal or book that makes them feel secure.
5. Talk to your Camp Guide or a friend.
6. Show confidence in your Girl Scout that they will do great and will not experience too much homesickness.
7. Let them know that you want them to have a good time and make new friends.
8. Avoid bargaining. Saying something like, "If you're really homesick, I promise I'll come pick you up right away," sends the message to your camper that you are not confident in their ability to succeed.
9. Provide them with stationery and self-addressed and stamped envelopes to write you notes.
10. Consider preparing letters and bringing them to drop-off to be delivered to your Girl Scout throughout the week.
11. Do not suggest that they call you if they're feeling homesick. Often, calling home makes homesickness worse and campers do not have access to the camp phone, and are not to bring cellphones.
12. Lastly, should your camper ask, "What if I get homesick?" remind them of the many people at camp who are there to help and encourage them to ask for help if and when they need it.

If you believe your camper is prone to homesickness, please share this information when filling out the camper health form and in the Letter to My Campers Camp Guide. You can also call us at 702-385-3677 before camp to discuss it with our camp staff team.

Emergency Contacts

Be sure all emergency contacts are available while your camper is at camp. Camp staff may call you for the following:

- Homesickness of your camper that is getting worse, not better.
- Inappropriate conduct by your camper.
- Illness or injury to your camper for an extended period of time, requires medical attention outside of camp, or requires her to be picked up by the parent/guardian.

Weather Emergencies

A Girl Scout is always prepared, and that includes at camp. Weather alert radios are monitored, and storm shelters will be designated for each camp. Please remember, during weather alerts, phone lines need to remain open to contact different parts of camp or emergency services; please do not call during severe weather. All campers will participate in fire and evacuation drills to be made fully aware of all safety practices and precautions at the beginning of camp.

Camper Communication

Parents may contact camp at any time to get a status report on their camper. It is not recommended calling camp to speak with your camper as it often kickstarts missing home and can hinder their progress at camp. In the event that a child requests to make a phone call, our camp staff will review the situation, and under the Camp Director's discretion, we'll first contact their caregiver to discuss a plan for their camper.

Here are some tips for camper communication.

DO tell your camper:

- You know they're having a good time.
- You can't wait to hear about all their new friends, fun activities, and all they are learning.
- That you hope they are writing down songs, new experiences, and names of new friends.
- Use positive words like love and proud.

DON'T tell your camper:

- Trips/fun things they are missing out on.
- That their sibling cried all night because they aren't there
- How much you miss them
- That they can call you anytime and you will pick them up if they are homesick.
- About an ill relative or hurt animal.

Electronic Devices

Your camper is able to bring select electronic devices to camp. Campers can bring compact/digital music players, digital cameras and electronic readers as long as the device does not have mobile data with access to the internet. We do manage the use of these devices in order to allow campers to fully embrace the connections they make with other campers and to ensure the safety of our campers.

Electronic devices (other than cameras) may be used only during quiet time or before bed and will not leave the cabin. If you choose to send an electronic device with your camper, please discuss the proper care and storage of the device in a camp setting. Electricity for charging devices is not accessible at all locations in camp. Girl Scouts of Southern Nevada is not responsible for lost or damaged items.

Camp Life

Frias Frontier Girl Scout Camp of Southern Nevada is a beautiful property with scenic desert landscapes. We have many wonderful long-range plans to transform it into an amazing Girl Scout Camp facility. Its transformation is in progress, so during this transition we might see construction happening and areas that are not accessible to campers. Please be respectful and mindful of our new home.

Sample Schedule*

7:15 a.m.	Wake up, showers (depending on unit)
8:00 a.m.	Opening flag ceremony
8:15 a.m.	Breakfast and Kapers
9:30 a.m.	Morning activities
12:00 p.m.	Lunch
1:00 p.m.	Turtle Time (rest hour)
2:00 p.m.	Afternoon activities
4:00 p.m.	Afternoon break/snack
4:45 p.m.	Kapers, flag prep, or hopper duty
6 p.m.	Dinner
7:15 p.m.	Evening activity
9 p.m.	Bedtime, showers depending on unit

*A camp schedule is intended to be flexible, also subject to change, and may look different for individual campers depending on the camper's badgework, chosen activities, all camp day-trip plans, and the week's camp session.

Housing and Bathrooms

The camper cabins that we are using and how we move around camp will be unique to this summer. Campers will be staying in cabins and having their meals at a property closely adjacent to Frias Frontier. Campers will be transported via passenger vans to and from programming. Our Camp Guides are also housed right next to their assigned camper cohort.

Our camper cabins are furnished with bunk beds that house 6 campers each. We will also have campers housed at Frias Frontier in a room that safely sleeps up to 10 under current safety protocols.

Bathroom and shower facilities are located in each cabin and/or room - no outdoor walk required! Campers are expected to wear their masks at all times in the cabin/rooms, with the exception of sleeping and night-time and morning preparations like showering and washing up. Camp Guides will offer guidance with any questions campers may have. Depending on the day's events, we intend to have girls shower as frequent as possible. Please be sure younger girls are confident in washing and rinsing their own hair prior to camp arrival.

Bus and Transport Behavior

We provide coach busing to and from Frias Frontier for all resident campers. It is about a 90-minute trip. All the busses have air conditioning and a bathroom. We will also be utilizing large passenger vans each day at camp to transport our campers a very short distance to and from their cabins to programming, and also to other nearby locations for area day trips.

Please review the following safety and behavior expectations with your camper.

- Always remain seated when on the bus or van.
- Seatbelts are always required, even on the shortest distances.
- No shouting or yelling while on any transport.
- Hands and all body parts must remain inside the transport.
- Be sure to check for any items before exiting the transport.
- If you need anything, please let the Camp Guide know
- Masks must be worn at all times on any transport

Registration and Camp Payments

Camp fee balances must be paid in full two weeks prior to a girl's session. Payments are made through your online Doubleknot account you established during registration. If payment isn't made in full by the due date, the camper's session will be released, and the fees paid will not be refunded.

Financial assistance

Girl Scouts of Southern Nevada has camperships available to assist families so girls can attend a summer program. The assistance is for girls whose caregivers could otherwise not afford the cost of camp. To apply for a campership, please complete the Girl Scouts of Southern Nevada online form and submit the required documentation. The form can be found under the camp section on our website - <https://www.girlscoutsnv.org/en/camps/our-camps.html>

Cookie Camp Vouchers

Congratulations on your camper earning a camp voucher during the cookie program! Cookie program camp vouchers may be used to pay for one Frias Frontier camp session excluding the non-refundable deposit. If your camper used her camp voucher and you need to cancel her session, the voucher and deposit is non-refundable. If there is space available, you may be able to transfer her voucher to another 2021 Frias frontier session or a 2021 Camp Ducktail day camp session. Camp vouchers expire September 2021.

Cancellations

Girl Scouts of Southern Nevada reserves the right to cancel or change any scheduled activities due to lack of enrollment, severe weather, or natural disaster. Cancellation and refund requests must be made in writing thirty (30) days before the event to receive a full refund, minus the \$25 per person deposit. No refunds within 30 days of the event.

- No refunds will be issued for no-shows.
- The \$25 Girl Scout membership fee and \$15 GSSNV Council Service Fee are non-refundable.
- All refund requests must be made in writing to: customerservice@girlscoutsnv.org.
- Requests should include camper's name, address, session name, date, and reason for refund / cancellation.
- No refunds will be issued if a camper returns home early due to homesickness, unacceptable behavior or upon parental request.

Camper Arrival & Departure

As our team re-imagines summer 2021, changes have been made to our camper check-in process. This season, we are asking families to remain in the car. We intend that campers will start their check-in process curbside from the vehicle. Please read through the following expectations.

WHAT TO EXPECT AT OUR CURB-SIDE CAMPER DROP-OFF

- You may arrive at our council office up to 15 minutes before your camper's designated check-in time to get in the car drop-off queue.
- Families will remain in their vehicles upon entering the council office parking lot.
- Please follow the signs and observe our GSSNV Staff directions when you arrive.
- All Campers/Caregivers are required to wear masks during the drop-off process.
- Ensure that all *forms are completed, signed, and in hand ready to present curbside.

**Camper Health Form,
Covid Camper Screening
Photo Release Form**

**These are required forms that will need to be completed and are the first step to your camper's check-in process. No camper will be allowed to begin the check-in process until the forms are completed. To help us have a timely and swift drop-off for camp check-in please have them completed. The documents can be returned to us via email, or brought in person, the week before your camper's session. These forms have been provided via email and USPS mail. If you do come to camp drop-off without the completed forms, you will be asked to park to complete your forms to not hold up the drop-off car queue and return to the end of the line after completing your forms.*

- Understand that a health screening will be conducted curbside that includes a head check for lice/nits, as well as a temperature check. See the Family Camper Packet about our policy of any health indications that may prevent your camper from attending camp.
- Upon completion of the health screening, have any medications properly marked and secured as indicated in the camper packet for our staff to record and store immediately for our Health Center team.
- Camp staff will remove luggage from the camper's vehicle to be tagged and placed in the waiting area to be put on the bus.
- The short and sweet goodbye. Please talk about and plan how you are going to say your goodbyes at drop-off. These will need to happen before your camper leaves the car for their health check. Our staff will support you and your camper to ensure that a proper farewell is had, yet please be mindful that things are going to happen swiftly.

Drop Off Times for Check-in

As we are still managing changes to our camper roster, we are very close to assigning campers to their two bus cohorts. Our bus cohorts will be no more than 35 campers & staff per 56 passenger seat bus. **Buses are scheduled to arrive and leave by 1:30pm** to camp. This allows us to have two separate drop-off times at drop-off for each bus.

You will be notified of your camper's drop-off time via email and USPS mail shortly.

Please know that your camper will be assigned to either

Cohort Group A at 12:00 pm

Cohort Group B at 12:30 pm

The drop-off time for your Girl Scout will align with the cohort that they have been assigned to at camp. Prompt arrival at drop-off helps get your Girl Scout off to a great start with check-in. We are greatly relying on everyone to please respect the drop-off time assigned to your Girl Scout so that we can arrive at camp in a timely and intended manner. Your assigned drop-off time is based on the age and Girl Scout level that you included at registration, as well as how we have established cabin assignments. If you have any questions about your assigned drop-off time, please contact us.

Arrival Time for Pick-up

Our bus departure from Frias Frontier is scheduled at 12:30pm. We anticipate our campers to arrive to our council office parking lot around 2:00 pm. We will send a notification when the bus departs the property.

Once you arrive at Girl Scouts of Southern Nevada, you will be directed where to go – follow the signs and direction of our staff.

Individuals picking up campers must be listed on the Camper Release Form and **provide proper identification**. Please note that smoking and pets are not allowed on council property.

Campers will be ready to go once you arrive and pick-up should take a matter of minutes. You will receive the following:

- All medications
- A note from the camp health team if your camper required anything besides basic first aid treatments, if we found any ticks on your camper, or if there are any concerns.
- You will be asked to officially check your camper out by signing the check-out report. Parents/guardians or others designated to pick up a camper will need to show a photo ID.
- If you are anticipating any issues in picking your camper within 30 minutes of the scheduled arrival time, please let us know immediately so that we can accommodate any late pick-ups if necessary.

**THANK YOU FOR YOUR CONTINUED SUPPORT OF
GIRL SCOUTS OF SOUTHERN NEVADA.**

**WE ARE GRATEFUL TO THE START OF
A NEW BEGINNING AT FRIAS FRONTIER.**
