Outdoor Adventures

Staying home for Nevada doesn't mean you have to stay indoors the entire time. Grab your family, head outside, and get exploring with these outdoor adventures!

Create a new meal for your next campout	Use recyclable materials and materials found in nature to create a unique masterpiece	Earn an outdoor art badge from GSUSA's ***Girl Scouts at Home*** site
Learn one or all of the 10 essential knots for Girl Scouts	Pick up trash while taking a walk around your neighborhood	Stargaze in your backyard
Find a four-leaf clover (but leave what you find!)	Go bird watching	Start a nature journal
Be an outdoor photographer and take pictures of nature	Host a backyard family campout	Participate in an outdoor scavenger hunt
Learn about the 7 Leave No Trace Principles	Discover 3 new plants, insects, or animals	Plant something outside
Make a list of five things you want to do outdoors this summer (Share the list with your family, friends and troop leader)	Paint a kindness rock and leave it somewhere in your neighborhood for others to find	Create a new song or skit for campfire fun
